ADCB Rolls out COVID-19 Vaccination Drive for its Employees and Families

Abu Dhabi, February 6th, 2021: As part of the National Vaccination Program organized by the Department of Health, Abu Dhabi (DOH), Abu Dhabi Commercial Bank ("ADCB") announced a campaign to provide COVID-19 vaccines at ADCB Head Office in Abu Dhabi to its employees and their families including Al Hilal Bank, Abu Dhabi Commercial Properties (ADCP), Abu Dhabi Commercial Engineering Services (ADCE) and ADCB Securities. This campaign was launched in association with SEHA (Abu Dhabi Health Services Company) in line with the UAE's efforts to combat COVID-19 and resume normal life and economic activity.

Employees along with their families, have successfully completed the vaccination drive thereby supporting the government's plan to reach a 50% vaccination rate amongst the UAE's citizens and residents by the end of March 2021. With the aim of ensuring the employees safety and their families, ADCB has conducted the vaccination campaign drive in Abu Dhabi and Dubai, becoming one of the first national banks in the UAE to conduct an extensive Covid-19 vaccination campaign, not just for their staff but for the employees' family members, too.

"Our employees have always been at the top of our priority list and organizing a successful vaccination drive against the Covid-19 ensures that our people and their families are protected from the virus. We are very proud to undertake our role in the society and look forward to continue providing our customers with an exceptional service and execute on our ambitious plans by returning to our normal life.

I would like to take this opportunity to thank the Ministry of Health and Prevention and SEHA for extending all the support and for making their teams available," said Ali Darwish, Head - Human Resources Group at ADCB.

Since the outbreak of the pandemic, ADCB has undertaken several precautionary measures to ensure the safety of its employees and customers. Meanwhile, the senior management team is working tirelessly to ensure business continuity and delivery of the highest quality services to all of its customers across the UAE.
