2. Saving the File into WPS format

Once all salary details have been entered and completed in accordance with the guidelines above, you may save the file in one of the following formats:

- **SIF format** (CSV or Comma Delimited)
- **Excel format**

Please note that during training, you will be advised which file format is applicable to you. For any queries or clarification, please contact your Relationship Manager or Customer Support Team.

2.1. Saving as .SIF file

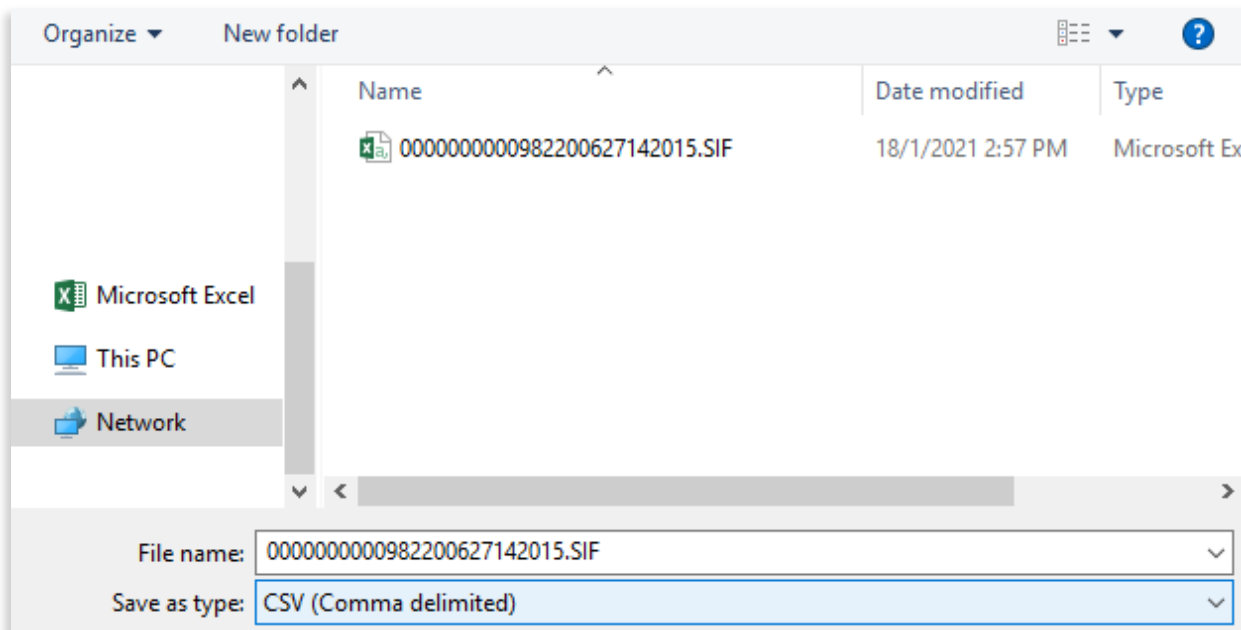

- Click on **"Save As"**
- The file name must follow the specific WPS naming convention shown below, which must be strictly adhered to:

EMPLOYER UNIQUE ID
13 digits

FILE CREATION DATE
YYMMDD

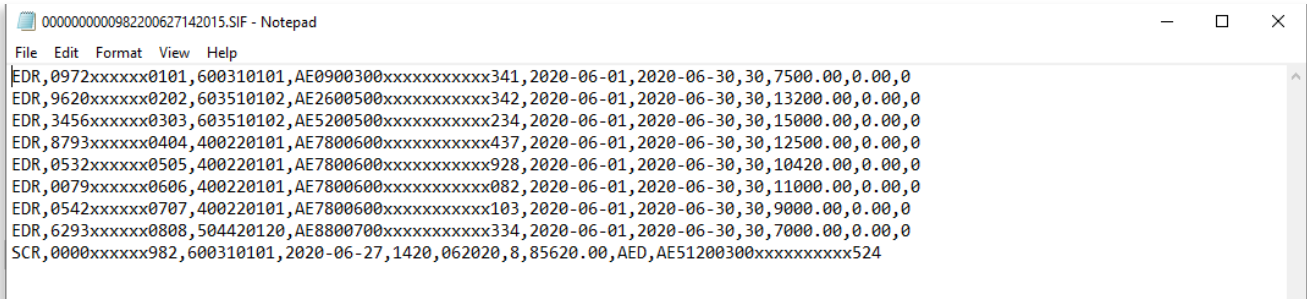

FILE CREATION TIME .SIF
HHMMSS

- Ensure that the file extension **".SIF"** is in **uppercase** (capital letters).
- Select CSV (Comma Delimited) as the **Save as type**, and then click on **Save**.

- After saving the SIF file, open it in Notepad to verify the details.

SIF File:

2.2. Saving as an Excel file (WPS format)

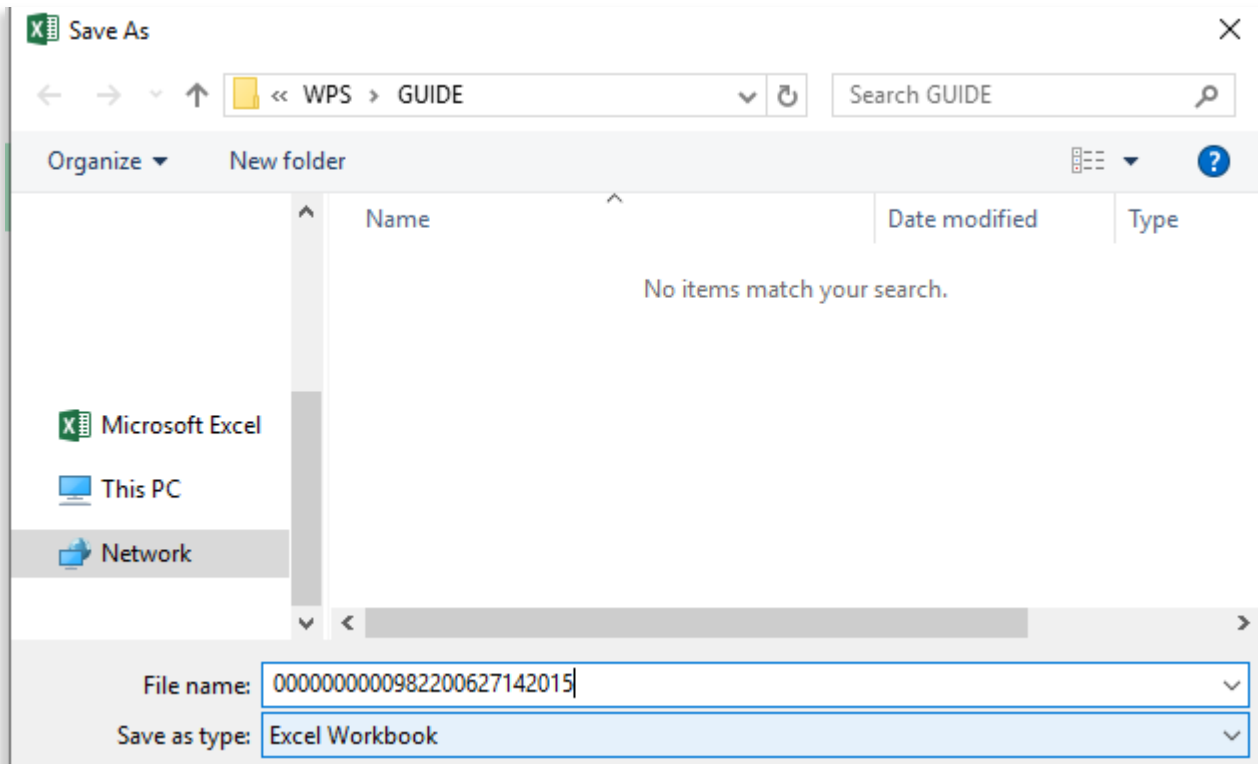

- Click on **"Save As"**
- The file name must follow the specific WPS naming convention shown below, which must be strictly adhered to:

EMPLOYER UNIQUE ID
13 digits

FILE CREATION DATE
YYMMDD

FILE CREATION TIME
HHMMSS

- Select **.XLS** or **.XLSX** (Excel Workbook) as the **Save as type**, and then click on **Save**.

- Open the Excel file after saving to verify the details.
